

Corporate Bulk Registration Program

This year, we're introducing a corporate bulk registration program to provide an opportunity to offer discounted race registrations to your employees and their family.

Taking on big challenges (like a 20K) as part of a group is quite-possibly the best team-building exercise out there. We know first hand the wellness, loyalty, and camaraderie benefits that grow out of taking on such an epic event- together.

How it works:

Reserve Entires: A minimum of 15 race registrations are required to sign up under bulk registration pricing. A lead team member can pay for a bulk order of "complimentary registrations" with a single transaction, making it clean and easy for staff members to register.

Packet Delivery: Looking to make life even easier for your team? Purchase more than 30 entires and we'll deliver all race swag to your office in the week leading up to the race, saving your staff hassle + time.

To request a corporate bulk registration discount, send us an email at info@riproarevents.com along with the total number of registrations you're looking to purchase and we'll quickly follow up with more information.

Ready to take your partnership to the next level?

The EMC DAM to DSM offers competitive, unique, and totally customizable partnership opportunities to companies looking to better our community through supporting an iconic running event. Drop us a note, and we'll follow up with more details right away: sponsorship@riproarevents.com

LET'S DO THIS.
